A Professional Association

Hess Kennedy Chartered is A Professional Association with offices in the United States, Europe, and the Caribbean. Our attorneys manage millions of dollars for over 40,000 clients worldwide.

While our core concentration is that of asset management, we currently audit compliance with some of the major consumer protection statutes. Through a series of sophisticated disciplines, our attorneys have established an effective manner of dealing with original creditors, third party debt collectors, and consumer credit reporting agencies.

Our financial planner will analyze your personal income statement and place you with an attorney that will handle all aspects of your financial stability or instability. Your attorney will ensure that your rights are well protected and curb collection abuse.

Some of the services that our attorneys and affiliated companies offer are:

- Wealth Management
- Credit Counseling
- Debt Settlement
- Asset Protection
